GROUP EXERCISE AT PRISCO

COVID-19 SCREENING

Have you or a member of your household experienced:

- A fever of 100.4°F or higher in the last 14 days?
- Contact with anyone diagnosed with COVID-19 in the last 14 days?
- Any body aches or fatigue that can't be explained?
- An unexplained cough or sore throat?
- A persistent headache in the last 48 hours?

If member has symptoms, they should wait to enter premises until they have been fever-free for at least 72 hours, symptoms have improved and at least 10 days have passed since symptoms first appeared.

Barre Body Fusion: This class combines the basics of Barre, Pilates, and Yoga. Barre is a challenging, but low-impact workout with small, controlled movements, isometric holds and high repetition. All levels welcome.

Vinyasa Yoga: Flow through a carefully balanced sequence of breath-guided postures. Create internal heat and breath awareness through sun salutations and holding postures while learning alignment. Leave class feeling rejuvenated. Suitable for all levels.

Zumba®: Ditch the workout and join the party! Zumba is a fun cardio workout with easy-to-follow dance steps inspired by Latin rhythms, featuring "sizzling" south-of-the border moves that are "spicy hot!" Dancer or not, burn calories, work up a sweat and have a great time doing it!
