GROUP EXERCISE AT VAUGHAN

Ashtanga Yoga Half Primary: Focus on a specific sequence of postures linked through movement and breath. An athletic flow combining strength, flexibility, and stamina for a complete practice.

Barbell Blast: A barbell-based class using light to moderate weights and high repetitions that targets increased calorie burn and lean muscle growth. You will experience an upbeat and fun total body strength workout which includes all muscle groups large and small!

Barre Body Fusion: Combine the basics of Barre, Pilates, & Yoga. A challenging, but low-impact workout with small, controlled movements, isometric holds and high repetitions. All levels welcome.

Body Blitz: A challenging full body workout that will improve your overall fitness ability using a variety of equipment & exercises ranging from traditional strength movements to cardio conditioning exercises.

Chisel: A strength training class using compound movements to provide a full body workout using a variety of equipment. No two classes are alike!

Core & Restore: A gentle core strengthening class that emphasizes breathing, simple movements targeting mobility, stability and stress reduction.

Cycling: A dynamic indoor cycling experience on a specially designed stationary bike and set to music. A great non-impact workout for all fitness levels. Follow ride with cooldown and stretch.

Extreme Cycle: A calorie burning, high tempo, sprint, mountain ride using cadence, and heart rate drills.

Fit Over 50: Designed for the active older adult. Focus on strength, cardio endurance, balance, and flexibility. Levels will be offered to meet fitness abilities.

Functional Fitness: Low-impact cardio & functional moves to improve strength, endurance, flexibility & balance. Designed for active adults 55+, or those looking to make everyday activities easier.

Gentle Flow & Release Yoga: Balance Yin & Yang with breath guided flow designed to warm & strengthen. Then surrender into part yin/part restorative postures leaving you relaxed & renewed.

Gentle Vinyasa Yoga: Focus on postures held & explored. Breath facilitates movement & helps deepen postures. This produces specific energetic effects in mind & body from highly energizing to deeply calming. Proper alignment & modifications accommodate individual practices.

GOLD Toning: Dance fitness & strength designed for active older adults; recreates the original moves you love at a lower intensity. Easy-to-follow choreography focuses on balance, range of motion, toning, and coordination.

Greatest HIITS: Set to an awesome music soundtrack, this class motivates and inspires your interval and strength training with choreography using a mix of equipment.

Group Strength: Get strong using straight bars and plates, hand weights, tubes, or your own body weight.

Pilates: Traditional mat class designed to work the body's core to improve flexibility & strength.

Power Hour: An intense total-body workout that challenges the body through a variety of methods to improve overall fitness with cardio kickboxing, weight training, athletic drills, and circuit training.

Recover & Restore: This class focuses on restoring your body through deeper muscular lengthening and stretching. Equipment such as yoga blocks, and straps will be used to help open tight pockets of the body to leave you feeling more recovered and well-balanced.

Rep N Shred: Work up a sweat in this high energy class which mixes high repetition strength work and cardio bursts to provide maximum results class after class!

Ride Strong: This unique class begins with 40 minutes of cycling and finishes with strength training, targeting every muscle group using moderate to heavy weights for a 60-minute total body workout!

Step & Sculpt: Simple, heart-pumping step aerobics routines combined with strength training intervals to give you a complete cardio & strength workout. Excellent cross-training for all skill & fitness levels.

STRONG Nation®: High intensity interval training with the science of Synced Music Motivation using your own body weight for muscle conditioning and cardio. All levels welcome.

Total Body Sculpt: An anaerobic, muscle-toning class focused primarily on core & body muscle strength. Burn calories & fat, while increasing overall metabolism through the simple act of building lean muscle.

Triple Threat: 20 minutes of heart pumping cardio, 20 minutes of toning work and 10 minutes of core focus for an accomplished head to toe workout.

Y.E.S.: The most important three words are "Yes, I can!" Y.E.S. yoga is the perfect combo of building your Yoga, Endurance, and Strength practices! Balance the body and mind. All levels are welcome.

Yoga Basics: Learn the fundamentals of yoga postures, focusing on proper alignment, stretching, and breathing through poses appropriate for beginners. No previous yoga training required!

Yoga Stretch & Strengthen: Increase flexibility, develop strength, improve balance, and release tension through safe stretching, movement, poses and restorative relaxation.

Zumba®: Ditch the workout and join the party! A fun cardio workout with easy-to-follow dance steps inspired by Latin rhythms, featuring "sizzling" south-of-the border moves that are "spicy hot!"

Zumba® Toning: Take Zumba to the next level! This combination of cardio and dynamic resistive exercises is an effective use of progressive lightweight training to improve overall performance.
