GROUP EXERCISE AT VAUGHAN

Barbell Blast: A barbell-based class using light to moderate weights and high repetitions that targets increased calorie burn and lean muscle growth. You will experience an upbeat and fun total body strength workout which includes all muscle groups large and small!

Barre Body Fusion: Combine the basics of Barre, Pilates, & Yoga. A challenging, but low-impact workout with small, controlled movements, isometric holds and high repetitions. All levels welcome.

Body Blitz: A challenging full body workout that will improve your overall fitness ability using a variety of equipment & exercises ranging from traditional strength movements to cardio conditioning exercises.

Chisel: A strength training class using compound movements to provide a full body workout using a variety of equipment. No two classes are alike!

***NEW!* CIRCL Mobility™:** Release. Restore. Renew. The focus of the class is flexibility and mobility exercises, breathwork, and Rollga foam rolling on the mat to help all ages move better. The soundtrack features healing tones and sound frequencies to focus your mind and reduce stress. What a great way to start the day!

Core & Restore: A gentle core strengthening class that emphasizes breathing, simple movements targeting mobility, stability and stress reduction.

Cycling: A dynamic indoor cycling experience on a specially designed stationary bike and set to music. A great non-impact workout for all fitness levels. Follow ride with cooldown and stretch.

Extreme Cycle: A calorie burning, high tempo, sprint, mountain ride using cadence, and heart rate drills.

Fit Over 50: Designed for the active older adult. Focus on strength, cardio endurance, balance, and flexibility. Levels will be offered to meet fitness abilities.

Functional Fitness: Low-impact cardio & functional moves to improve strength, endurance, flexibility & balance. Designed for active adults 55+, or those looking to make everyday activities easier.

Gentle Flow & Release Yoga: Balance Yin & Yang with breath guided flow designed to warm & strengthen. Then surrender into part yin/part restorative postures leaving you relaxed & renewed.

Gentle Vinyasa Yoga: Focus on postures held & explored. Breath facilitates movement & helps deepen postures. This produces specific energetic effects in mind & body from highly energizing to deeply calming. Proper alignment & modifications accommodate individual practices.

GOLD Toning: Dance fitness & strength designed for active older adults; recreates the original moves you love at a lower intensity. Easy-to-follow choreography focuses on balance, range of motion, toning, and coordination.

Greatest Hits: Set to an awesome music soundtrack created to inspire you, this class motivates you to move using interval and strength training through choreography and a variety of equipment.

Group Strength: Get strong using straight bars and plates, hand weights, tubes, or your own body weight.

Kick.B.Fit Bootcamp: Have fun kicking butt as you punch and kick your way into shape with a combination of kickboxing cardio movements with intervals of strength training exercises. You'll build lean muscle while burning fat in this fun and dynamic no contact shadowboxing class. All training levels are welcome. Bring a sweat towel, water bottle and a smile!

P.A.R.T.Y!: Kick off your week with a PARTY! Get lost in motivating music and crank the fun factor to the max. A mix of equipment will help increase your heart rate, strengthen your muscles, and improve flexibility and mobility, including bands, balls, and weights. Finish class with yoga poses, meditation, and optional aromatherapy. This class is designed for all fitness levels. #NeverMissAMonday P - Punch and kick. A- Aerobics and Abs (hi-lo) R- Rolling and Resistance T- Tabata Y- Yoga

Pilates: Traditional mat class designed to work the body's core to improve flexibility & strength.

Power Hour: An intense total-body workout that challenges the body through a variety of methods to improve overall fitness with cardio kickboxing, weight training, athletic drills, and circuit training.

Recover & Restore: This class focuses on restoring your body through deeper muscular lengthening and stretching. Equipment such as yoga blocks, and straps will be used to help open tight pockets of the body to leave you feeling more recovered and well-balanced.

***NEW* 12/3 10 a.m. SPECIAL EVENT: Restorative Yoga:** This one-hour class will help you prepare for the busy holiday season. We will relax mind and body through gentle poses and a guided relaxation at the end of class. Restorative yoga is for anyone; from those with no yoga experience to those who practice regularly. Give yourself an early holiday gift and join us!

Step & Sculpt: Simple, heart-pumping step aerobics routines combined with strength training intervals to give you a complete cardio & strength workout. Excellent cross-training for all skill & fitness levels.

Strictly Strength: This class is designed to increase muscular strength through weight-bearing and resistance exercises. We will use a variety of equipment to keep progressing our muscular endurance over time. Class participants can expect to perform both compound and functional movement exercises utilizing every major muscle group in each class—for a full body workout.

STRONG Nation®: High intensity interval training with the science of Synced Music Motivation using your own body weight for muscle conditioning and cardio. All levels welcome.

Tabata: A very specific type of HIIT workout designed to squeeze maximum burn into minimal workout time. Through a variety of simple, yet intense timed exercises you will boost your cardio fitness and calorie burn.

Total Body Sculpt: An anaerobic, muscle-toning class focused primarily on core & body muscle strength. Burn calories & fat, while increasing overall metabolism through the simple act of building lean muscle.

Yoga Basics: Learn the fundamentals of yoga postures, focusing on proper alignment, stretching, and breathing through poses appropriate for beginners. No previous yoga training required!

Yoga Stretch & Strengthen: Increase flexibility, develop strength, improve balance, and release tension through safe stretching, movement, poses and restorative relaxation.

Zumba®: Ditch the workout and join the party! A fun cardio workout with easy-to-follow dance steps inspired by Latin rhythms, featuring "sizzling" south-of-the-border moves that are "spicy hot!"

Zumba® Toning: Take Zumba to the next level! This combination of cardio and dynamic resistive exercises is an effective use of progressive lightweight training to improve overall performance.
