Barre Body Fusion: This class combines the basics of Barre, Pilates, and Yoga. Barre is a challenging, but low-impact workout with small, controlled movements, isometric holds and high repetition. All levels welcome.

Golden Fit: Designed for active older adults, or those looking to make everyday activities easier, this low-impact cardio & functional movement class will improve strength, endurance, flexibility & balance. Chairs are available as needed.

Vinyasa Yoga: Flow through a carefully balanced sequence of breath-guided postures. Create internal heat and breath awareness through sun salutations and holding postures while learning alignment. Leave class feeling rejuvenated. Suitable for all levels.

Zumba: Ditch the workout and join the party! Zumba is a fun cardio workout with easy-to-follow dance steps inspired by Latin rhythms, featuring “sizzling” south-of-the border moves that are “spicy hot!” Dancer or not, burn calories, work up a sweat and have a great time doing it!

Zumba Toning: Take Zumba to the next level! This combination of cardio and dynamic resistive exercises is an effective use of progressive lightweight training to improve overall performance.
